

**UPDATED AS OF 6/1/21**

**WEARING OF MASKS:** The mask mandate issued by the Governor of Wisconsin is no longer in place and instead each community is responsible for determining whether to institute a local mask mandate or not. Door County has issued a Mask Advisory advising all unvaccinated citizens and visitors to continue to wear their masks in accordance with CDC recommendations. In order to provide a safe and healthy environment for all visitors to our community, as well as all local residences, we ask that our unvaccinated guests continue to wear masks in accordance with the current CDC guidelines, and especially when visiting the front desk, lobby or continental breakfast area.

#### **GUEST SERVICES INITIATIVES**

1. For the safety of our other guests and staff, if anyone in your party has a fever or two or more symptoms associated with COVID-19, we ask that you re-schedule your visit. We will be happy to reschedule your reservation with no penalty to you, rates may vary, or cancel with a full refund.
